

Dear Colleagues,

On the occasion of the “16th Maratea Biennial Meeting”, which will be held on May 21–22–23, 2026, a Call for Abstracts has been announced for young researchers under 35, with the aim of promoting and rewarding the most innovative projects.

Two top abstracts will be selected and awarded, one in the field of Reproductive Medicine and the other in the field of Gynecological Endoscopy.

Evaluation will be carried out by a scientific committee based on the originality, scientific relevance, and innovative impact of the submitted project. Each winner will receive a prize of €500.00 to be used for scientific training activities.

The abstracts will be presented in a dedicated session to be held on Thursday, May 21, from 10:00 a.m. to 1:00 p.m. The two winning works will be awarded during the social dinner on May 22.

GUIDELINES for Abstract Submission

The abstract title must not exceed 300 characters (including spaces).

The abstract text must not exceed 3,200 characters (including spaces).

The abstract text must be structured as follows:

- Background
- Aim of the study
- Materials and Methods
- Results
- Conclusions

The abstract may include a maximum of **1 figure** (minimum resolution 150 dpi, recommended size: 1000×1000 pixels) and must be submitted in **PDF format**.

Abstracts must be submitted **by March 31, 2026** to the email address of the Organizing Secretariat: EMS Group: info@msgroup.it

We hope you will take part and thank you in advance.

Kind regards,

Scientific Coordinator

Sergio Schettini
